

## FREE EXTENDED WARRANTY

### \*IMPORTANT INFORMATION REGARDING YOUR WARRANTY\*

Your extended warranty will be applied after the following steps have been completed.

1. Your Generac generator must be registered before the Extended Warranty will apply. Please register your unit by calling the Generac Activation Line 888-922-8482 or online at <https://register.generac.com>

\*Extended warranty will expire if not applied within 12 months of generator purchase.

2. After your generator has been registered please complete this form and send it back to AP Electric using the address provided below. **Please do not send this form to Generac Power Systems.**

3. AP Electric will activate your new Extended Warranty for you. Enjoy 5 years parts and labor coverage by Generac.
